TRIANGULAR FIGHT MAYORALTY HONOR

All Ready For Democratic Primary Next Tuesday

FIGHT FOR COUNCIL

Contest on in Three Out of Four Wards—Five in Second Ward Seek Seats in Common Council.

Plans are rapidly being completed by the various candidates for mayor, common council and the board of aldermen for the primary which will be held next Tuesday for the purpose of nominating a mayor, eight members of the common council and four members of the board of aldermen.

The campaign thus far has been an unusually quiet one, although considerable interest is apparent and there is every indication that a large vote will be polled.

Principal interest centers in the mayoralty contest which is a three cornered race between Capt. Albert Bryan, James M. Duncan and W. J. McCaffrey.

The democratic nomination is equivalent to an election. For seats in common council contests are on in three out of the four wards. Only two of the incumbents in common council will not again stand for re-election and they are Joseph M. Armstrong, second ward and August J. Pohl, third ward.

The candidates for common council by wards are as follows:

First—J. D. Matter and E. F. Tyler, unopposed.

Second—Jerome Kaufmann, incumbent; Robert F. Downham, J. Harvey Robinson, Frank C. Pullin and A. D. Deeton.

Third—H. R. Burke, incumbent; George Kaus and W .C. Drury.

Fourth—S. Devers and Clinton S. Ballenger, incumbents; W. E. Risdon.

Two members of common council are to be chosen for each ward.

One aldermen from each ward is to be chosen and all are without opposition. They are as follows: F. F. Marbury, first; W. W. Ballenger, second; John T. Harrison third, and C. C. Batcheller, fourth.

PROPERTY TRANSFERS

Following deeds have been admitted to record in the clerks office.

M. L. Dinwiddie to Enterprise Land and Improvement Co., Inc. two houses and lots, 306 and 308 Gibbon street; Nannie T. Taylor and others to W. C. Arnold and wife house and lot on south side of Queen, between Alfred and Patrick streets; E. E. Carver to Keeble Bond house and lot 409 North West street.

WHAT'S THE DIFFERENCE

You have the hole in your pocket repaired. You pay good money for a tire. It gets cut. You keep on going. Then it blows your money away.

INCREASES DENIED

Roanoke Water Company Fails to Get Raise in Price of Utility as Asked

Richmond, April 2.—Principals of valuation of property of public service corporations, for rate making purposes, were laid down by the State Corporation Commission yesterday, when it held that estimates of reproduction costs, based on existing inflated values, are not a proper basis for fixing rates.

As a result, it declined to put in to effect a new schedule of rates filed by the Roanoke Water Works Company, and put into effect its own schedule, imposing a service charge on each meter of 19 cents per month, instead of 35 cents, as asked for by the company.

"VETS" TAKE ISSUE

Ex-Soldiers "Beer and Light Wine Association" About to Start Campaign

Washington, D. C., April 2.—A strong fight for the modification of prohibition laws, through the restoration of the right to manufacture and sell beer and light wines, is being engineered by the American veterans of the great war.

The constitution and by-laws of the "Veterans' Beer and Light Wine Association" have already been drafted and the campaign is about to be prosecuted vigorously.

The association is composed entirely of former service men, who believe and assert that national prohibition was forced upon them without their consent, while they were aboard fighting for the liberty of the world. Hundreds daily, it was claimed today, are becoming members, and will "talk, write, organize and vote" to restore the right of manufacture and consumption of beer and light wines to a legal status in America.

All officers of the association are members of the American Legion, and all saw active service aboard.

Political leaders of both parties have indorsed the campaign, which will be conducted on strictly non-partisan lines.

AUTO BANDITS GET $45,840.

Hold up Messengers for Packing Company on Viaduct

Kansas City, April 2.—Two armed men in an automobile held up the messenger of Swift and Co., packers, on the Twenty-third street viaduct here yesterday, and escaped with a handbag containing $45,840.

CROKER'S WIFE VIVID PAST

"Seductive Charm" Won Millionaire's Affection, Children Assert in Plea

New York, April 2,—Allegations that Richard Croker's present wife, Bula Edmundson Croker, was "a well known character along Broadway and was a familiar figure in Broadway resorts" before her marriage to the Tammany chief in 1914, and that her marriage was part of "fraudulent intent" to obtain control of his fortune of $10,000,000 are contained in affidavits and complaints made public yesterday by William F. McCombs, counsel for the Croker children.

The documents are part of the evidence upon which the country court at Palm Beach, Fla., granted a temporary injunction restraining the transfer or disposal of Mr. Croker's property in that state pending proceedings to determine whether he is any longer competent to manage his property. They are made by Richard Croker, jr., and Howard Croker, and supplement an affidavit by Mrs. Ethel Croker White, the third child of Mr. Croker.

Among the allegations contained in the documents are:

That Mrs. Croker's reputation before her marriage of being an Indian princess" was considered a joke even among the Indians."

That instead of being "an angel," as Mr. Croker said she was when he was about to marry her, she "knew New York better than he did" and that she received "pecuniary support of other men" who she represented to be her relatives.

That "by reason of charms and smooth manner, ingratiating ways, seductive methods and her subtle devices and deceit, she quickly worked herself into the confidence, love and affection" of Mr. Croker and that while representing herself to be twenty-three years of age "and of royal Indian blood" at the time Mr. Croker proposed to her, she was "about thirty-one years of age." In another affidavit it is alleged that Mrs. Croker was thirty-five years old at the time of her marriage.

That she obtained control of Mr. Croker's property, real and personal, "by reason of the enfeebled mental condition of her husband."

That Mrs. Croker, knowing that her husband has but a short time to live, has been destroying records of her financial transactions.

POLITICAL ANNOUNCEMENTS

I respectfully solicit your support for
Mayor of the City
Subject to Democratic Primary
Tuesday, April 6, 1920
ALBERT BRYAN
14 years a member of city council.
12 years chairman of finance committee.
5 years police commissioner. 78-6c

REDS ARE GIVEN 48 HOURS' GRACE

Ruhr Rising May End Without Further Hostilities

REDS ON THE RAMPAGE

Many Towns Still Held by Them and a Carnival of Plundering Is Going On.

Berlin, April 2.—The German government has granted leaders of workmen's forces in the Ruhr district a forty-eight-hour extension of time in which to either accept or reject the terms included in the ultimatum sent to Essen, according to advices received here from Berlin. Negotiations between representatives of the workers and government delegates are proceeding at Berlin, and it is believed the difficulties in the Ruhr district may be settled without further hostilities.

The revolutionary executive strike council at Berlin, whose members belong to the extreme radical group, have decided against the calling of a general strike in Germany as a result of the Ruhr Valley situation pending the result of negotiations with the Ruhr workingmen's organization at Muenster. This action was taken, it was said, owing to the attitude of the Berlin workers on the question.

An adjustment was reached at Muenster Wednesday night upon a compromise arrangement with the Bielefeld pact, as a basis for settling the troubles in the Ruhr district.

The reported compromise extends the time for acceptance of the Bielefeld agreement, with an added clause providing for amnesty for those con-

American Legion

Play Committee and Talent Meet Tonight at Community Center

A meeting will be held at 7.30 o'clock tonight, at the community center, of the dramatic committee of the American Legion, the chaperons of the various groups of talent, and those who have been selected to portray the principal characters in the musical comedy, Katcha-Koo, to be presented in the Opera House April 22 and 23.

Mrs. Jean Johnson, one of the directors from the John B. Rogers production company, has arrived and rehearsals will begin the first of next week, while all preliminary arrangements will be completed at tonight's meeting.

The committee is composed of Messrs. John T. Worthington, Harry E. Hinken, Charles M. Shepperson, and Bernard Y. Hamilton.

Announcement of the next meeting will be made tomorrow and a full attendance of all interested is requested for all future meetings.

UNUSED RESOURCES

New York, April 2,—Production of electric power in vast volume in remote places, and the sale of that power to railroads and cities, is the plan of a new organization to be known as the Electrical Power Company, as planned by a group of the richest men in America.

It is proposed to utilize mountain streams, tidewater and low-grade coal at the places of original supply. Contracts will be taken to light entire cities and move all the trains of entire railroad systems. The proposed new corporation is expected to become as important as the United States Steel Corporation and will require hundreds of millions of capital.

Its operations will be nation-wide and may include Canada. The Canadian Rockies are particularly rich in undeveloped water power, and the tidal power on the Atlantic Coast is enormous. In mountain fastnesses millions of horse power is going to waste Hundreds of millions of tons of coal that would not pay for haulage to cities can, however, be turned into electric power at the mines with profit.

FOR SALE—Rhode Island Red eggs, for hatching, 15 for $1.50. Apply Thomas Elliott, Braddock, Phone 696-W. 79-3p

COMMUNITY DRIVE OPENS TOMORROW

Canvass To Be Made For Members at $1.00 a Year

PLAN COMMUNITY SING

Local Clergymen Will Also Speak Following Sings—Other Plans For Work.

The first drive of the Alexandria Community Service Center, for funds to continue the good work which has been done during the past six months will start tomorrow, when teams will start canvassing the entire city for yearly membership, at $1.00 a year. Buttons will be sold by the members of each team.

As the program outlined by the executive committee is a very large one, calling for many activities for both young and old, it is the earnest hope of the committee that the citizens of Alexandria will be liberal in their support of this non-sectarian organization, which is doing good for all, regardless of creed.

With a recreational program second to none, plans for a religious campaign to bring together church and non-church people, including a Community Sing Sunday afternoons, with short addresses by the local clergymen as well as other known speakers, classes in domestic science open to all classes in wireless telegraphy, physical education, playground work and a playground for the younger children, the committee feels that every citizen of Alexandria will deem it his duty to support this organization. A goodly portion of the fund raised will be used to renovate the center and make it an ideal place for organizations to use as their headquarters.

The American Women's Legion will hold it's weekly meetings at the Center, while the two large rooms on the first floor have been offered to the Citizens Association. There is no rent charged for meetings held at the center, and any organization may secure nights by applying at the Center.

Mrs. Percy Evans, president of the Alexandria Community Service Center, is devoting practically all of her time to the work, and plans big things for this summer. Just as soon as the new center is ready, classes in all activities will be started and the recreational as well as the educational features gotten under way.

LANGUAGES IN JERUSALEM

Every Kind of Race and Nationality in Holy City

Jerusalem is rightly called the Holy City, for it contains sacred relics and traditional sites that are observed as holy by the three important religions of the world—Moslems, Christians and Jews.

It has been estimated that in Jerusalem itself not less than 23 different languages are spoken, and during Easter week, when pilgrims from every corner of the earth come to visit the holy sites, it has been increased to thirty. There is in Jerusalem every kind of race and nationality, each vying with the others by building more imposing and magnificent buildings, by opening schools and convents or by building hospitals and churches. Thus Germans, English, Americans, Italians, Russians, Spaniards, Austrians Hungarians, Greeks, Abyssinians, etc., have very magnificent buildings that add to the beauty of the city and that will stay forever as monuments in the holiest of cities.

Sunday morning is a very pleasant day in Jerusalem. Bells from the various church towers are heard ringing from every corner of the city all the day long, calling men, women and chidren to prayers. Each bell has a distinct tone which is recognized by the respective sect to which it belongs.—Christian Herald.

PLAN CHANGE IN TAX ASSESSMENTS

Auditor Moore Will Make Searching Examination of Property

WANTS BIG RETURNS

Taxable Incomes Said to Have Jumped $103,000,000 During Past Several Years.

Richmond, April 2.—Vigorous, intimate, searching assessments of property by tax officials throughout the Commonwealth was the plan laid down yesterday by Auditor of Public Accounts C. Lee Moore as his policy toward laying the basis of securing the State's revenue during the year 1920.

"I intend," he said, "to go out over the State and meet personally assessment officers, in order that they may have a uniform understanding of what is expected of them in carrying out the law. Our expenditures this year will be heavier than at any time in our history, and no wheel will be left unturned in the tax assessment and collection machinery to meet all claims without leaving a deficit in the treasury.

"The law gives me authority to invoke the aid of grand juries in tax matters. This has been done during my administration, I hope such a recurrence will not be necessary again.

(Continued on Page Seven)

SHAD BOYCOTTED

Stevedores in Eastern Cities Will Only Handle "Union Fish"

Ocean City, Md., April 2.—Shad are selling at Ocean City for only 50 cents apiece because of the strike of stevedores in Baltimore, Philadelphia and New York, who refuse to handle any but "union fish."

Ocean City fish, having always been used to the untrammeled freedom of the ocean, have never joined a union and now they are persona non grata in the city markets.

The fishermen at Ocean City own their own camps and outfits and belong to no union, so when the stevedores refused to handle any fish not marked "union" the Ocean City product had to remain at home

WEEKLY THOUGHT

We're tolerant of Tuesday, of
Wednesday, Thursday, Friday;
We're very fond of Saturday and
fonder still of Sunday;
But there's a day we fully hate, a
dull, a bleak, a dry day,
The day when we go back to work
—Oh, Curses on thee! Monday.

Anna E. Morse To Leave Ways This Afternoon

Everything is in readiness for the launching of the 9,400 ton steel freighter Anne E. Morse which will glide from the ways at the plant of the Virginia Shipbuilding Corporation promptly at 5 o'clock this afternoon.

Workmen this morning were busy making ready for the leaving of the eighth ship from the ways and the indications are that this launching will be equally as successful as the seven others that have occurred at this company's plant since operations were started.

Attending the launching will be many officials of the Virginia Shipbuilding Corporation, several members of the United States Shipping Board together with a number of other prominent in the shipbuilding industry.

NOTICE

Owing to the steadily increasing cost of white paper and other things that go into the production of a newspaper, the price of the Gazette for single copies at the office and at newstands beginning April 1 will be two cents. The price delivered by carrier will be thirty-five cents per month as heretofore.

GREEN STOCKINGS

Not so long ago, people were wearing green stockings as a fad of fashion. In fact, they were the "rage." Well, they are going to be that again shortly, when the Senior Class of the A. H. S. presents "Green Stockings," to any who may present themselves in the High School auditorium at the appointed time. This play will be really worth seeing, and is sure to leave you with an evening enjoyably spent. The participants are nearly all experienced in their line and will amost make you forget that they are amateurs. The play will be presented the 7, 8 and 9 of April. We advice you to hold open one of these dates, if you are looking for a good time.

JUDGE WEARY OF DIVORCES

Chicago, April 2.—Sick and tired of hearing divorce cases, Judge Joseph B. David, of the Superior Court here, yesterday resigned.

"Marriage doesn't mean anything any more," he said. "A divorce is no longer a stigma on a woman's name. It is an asset that seems to attract more men."

Idle women and women seeking excitement are the chief offenders in asking divorces, Judge David declared.

BONUS APPROVED

Washington, April 2.—A bonus of $240 for government employees in the District for the ensuing fiscal year was approved yesterday by the Senate. The vote came after long debate on an amendment by Senator Calder, of New York, making police and firemen of Washington eligible to the bonus. The Calder amendment was rejected.

An amendment by Senator Harrison, of Mississippi, to give police and firemen a bonus of $120 also was rejected.

WIRELESS ASKS AID

Eighty Persons Perishing From Cold and Hunger on Ice-bound Craft

London, April 2.—A wireless message from Moscow says a dramatic message of distress has been received from the Arctic ice fields. The message, sent by wireless, asks help for eighty men, women and children perishing of cold and hunger aboard the steamer Solovei, which became ice bound in the river at Chiga in January and finally drifted into the Kara Sea.

The position of the vessel on March 23, the message adds, was latitude 72, longitude 89.

WILSON ASSERTS POWER

President's Letter Tells House Fee Remains His Subordinate

President Wilson yesterday replied to the resolution of the House asking for information on the status of American troops in the army of occupation in Germany. Wilson informed the House "no one can direct their activities without express orders of the President of the United States."

Field Marshal Foch can give no orders to the United States forces which are not approved by the President, Wilson wrote.

HELD IN CHILD MURDER CASE

Steubenville, Ohio, April 2.—Mike Onankuk, 30, a coal miner, was under arrest here yesterday charged with the murder of Frances South 11. The child was killed a short distance from her home at Adena Ohio, last week.

The arrest was made at Ramsey a short distance from the scene of the killing. Blood stained clothing was found hidden in the prisoner's room, officers said.

HAPPENINGS ABOUT CITY TOLD IN BRIEF

Mrs. Ethel Meade Hadlock has been called to Indianapolis, Ind., by the sudden illness of her husband.

A meeting of the Mason-Dixon Players will be held Tuesday night at the Community Center.

The last lenten service will be held tonight at 8 o'clock at Immanuel Lutheran Church.

Albert Ansley Smoot, of the E. H. H. is spending Easter with his parents, Mr. and Mrs. W. A. Smoot.

Miss Genevieve Peyton Shepperson left yesterday to spend the Easter holidays with relatives near Warrenton.

Miss Coralie Greehaway is spending the Easter holidays with her sister Mrs. Charles P. McKenna, Huntington, W. Va.

Little Miss Barbara Ale, of Glasgow, Va., is spending the Easter holidays with her aunt, Mrs. Justus Schneider, Jr., in Queen street.

At a recent meeting of the German Co-Operative Building Association No. 5 of Alexandria, Virginia, Courtland H. Davis was elected a member of the Board of Directors.

J. A. Collins, of 1456 Duke street, this city, and Miss Persie Haise, of Kipling, N. C., were married February 23 at Lillington, N. C. The couple will reside in this city.

Mr. and Mrs. James Randolph Mansfield are today receiving congratulations from their many friends upon the twenty-fifth anniversary of their wedding.

There will be an Easter treat for the children at the Salvation Army Hall Sunday afternoon at 2:30, and several Easter baskets taken out to the older people.

Bishop William Cabell Brown, of Virginia, this morning confirmed a class at St. Paul's Episcopal Church and at 8 o'clock tonight he will confirm a class at Christ Episcopal Church.

Special services today were held in the Catholic and Episcopal Churches in observance of Good Friday and services also will be held tonight. Despite the inclement weather large congregations attended.

Miss Augusta Bode entertained a number of her young friends at a delightful party yesterday afternoon at the home of her parents, Mr. and Mrs. Eugene Bode, Rosemont Avenue, in celebration of her twelfth birthday.

Saturday morning, the members of the Double Six Club and the Lightfoot Club are requested to report at the Community Center at 10:30 o'clock to go on a hike, weather permitting. In case of rain, the members of the two girls clubs will meet at 10:30 o'clock.

The Seminole Players held their second rehearsal last night in Odd Fellows' Hall. Much progress has been made and many new members have been added to the organization this season. The weekly business and social session of the association will be held tonight in the K. of P. Hall on Cameron street, at 7:30 p. m., Business of importance will come before the players at this meeting and all are urged to be present.

STILL SOARING

The announcement that the Washington-Virginia Railway Company has been granted permission by the Interstate Commerce Commission to lay another burden upon Alexandria's traveling public in the shape of a material increase in the price of certain commutation tickets is met with earnest protest from persons compelled by their various occupations to make daily trips to Washington.

While indignation caused by the increase last December is still fresh in the minds of those most directly interested, the announcement that another advance will be made in about two weeks' time has brought forth more animated protest.

There is virtually but one mode of transit between Alexandria and the capital city, and that is via the Washington-Virginia Railway. Steam trains, it is true, make trips between the two cities, but such as cater to local traffic are few and arrive and depart at hours inconvenient to most persons employed in Washington. And, besides, it is necessary to get on or off such trains at the union passenger depot, which is situated far from the homes of most local travelers. In order to use such trains upon return trips from Washington it would be necessary to board the same at the union depot, in the north eastern section of the city, or at Maryland avenue and Seventh street, both inconvenient points for Alexandrians. Besides the schedules of such trains render it impossible for most of them to be used by our people.

It is said that the first increase made in rates by the electric railway company resulted in diminished receipts. This additional boost in the price of tickets may produce similar friuts.

The movement, however, may prove beneficial to Alexandria, as numbers of persons at present employed here, reside in Washington. It is reasonable to suppose that most of such will rent homes here and avoid the expenditure of traveling between the two cities.

Many Alexandrians visit Washington for pleasure. While not objecting to spending twenty-five cents for such diversions, this class are averse to paying any more.

There was a time, and not many years in the past either, when modern ferry steamers ran between this city and Washington. For a long period 15 cents was charged for the round trip, tickets good until used. The fare was subsequently reduced to five cents each way. But the majority of travelers who had clamored for a water route did not patronize the ferry boats, and the projectors, finding they were losing money, took off the steamers, since which time the slip at the foot of King street has been one of the deserted spots of our river front.

ANOTHER SHIP AFLOAT

By the time this shall have been read another mammoth steel freight steamer will be resting in the Potomac at Alexandria, the "Anna E. Morse" being the eight addition to a fleet of ten being constructed by the Virginia Shipbuilding Corporation at their plant at this place.

The launching is scheduled to take place late this afternoon, and many persons of this city, Washington and the surrounding country contemplate being present to witness the event.

Work on the remaining two of the steamers is being pushed, and ere many months they, too, will be in their element receiving their finishing touches.

Eight steamers have been launched at this plant in about thirteen months, the first, the "Gunston Hall" having left the ways February 27, 1919.

It has for some time been stated that the Virginia Shipbuilding Corporation will engage in the construction of other classes of steam vessels after the contract for the ten shall have been completed.

(Continued from Page One)

cerned in the Ruhr uprising, until noon today. The meeting of workmen to discuss the expected terms of the agreement was postponed until yesterday evening. According to this Muenster report the agreement is to be carried out in its entirety with the change regarding amnesty provided the required action is taken by the workingmen by noon today.

Disintegration of the Communist army in the Ruhr Valley and the lack of discipline among the men have added to the seriousnes sof the situation there, says the Dusseldorf correspondent of the Handelsblad.

CAMPAIGN LAUNCHED

Leading Jews Throughout Nation Unite in Country Wide Call

A nation-wide campaign to insure survival of Judaism in America has just been launched by the Union of American Hebrew Congregations. Plans for the venture have been carefully worked out by the executive board which is composed of leading Jews throughout the nation. The campaign will be prosecuted intensively and has for its object establishment of new synagogs and religious schools in industrial centers; provision for adults education; provision for welfare work among college students and inmates of institutions, and the establishment of a Ministers' Pension Fund.

J. Walter Freiberg, president of the organization, in voicing the call to Jews throughout the land, sounded a warning that it is of paramount importance that Jews of America join in the movement for the preservation of Judaism in this country. He said:

"I call upon all congregations belonging to the Union to direct their attention to the movement for the survival of Judaism in America.

"We must stretch forth a guiding hand to our brothers who are becoming estranged from the House of Israel. We must train leaders and teachers in Israel. We must print and carry on the work among Jews and non-Jews. We must preserve the religious freedom which the Constitution of our land assures us.

We must maintain the momentum which we developed last year. In every city we are asking congregations to organize sections of the advisory board for service to the cause of Judaism. What we do today will assure a place of honor to our children's children tomorrow in America.

"The Union of America Hebrew Congregations is the oldest and largest organization working for the perpetuation of Judaism in America. The Union is interested in the survival of the Jewish religion; it is the most important thing we have to preserve.

The campaign will last thirty-five weeks and an effort will be made to raise $3,500,000 which will be devoted to the maintenance of present institutions such as the Hebrew Union College, Department of Synagog and School Extension, and the Board of Delegates.

One million dollars will be needed for the pension fund which takes care of religious leaders and ministers during the declining years of their lives.

One half a million dollars will be needed for the Synagog Building Loan Fund. The purpose of the fund is to provide loans of moderate sums at nominal rates of interest to congregations desirous of building their own synagogs.

HOD CARRIERS MAY STRIKE

Union Demands $6 Day and Recognition on Pain of Walkout

Wash., April 2.—One thousand members of the International Hod Carriers Common Laborers' Union, Local No. 105, announced last night their intention to go on strike today because builders of this city have refused a demand for increased wages and recognition of the union.

Builders are not generally concerned over the prospect of a strike, it was learned last night. It is said that men can be found to fill any places vacated. The laborers are asking their employers for $6 a day for hod carriers and laborers.

Child's Best Laxative

'California Syrup of Figs"

MOTHER!

MOTHER!

"California Syrup of Figs"

Child's Best Laxative

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach liver and bowels. Children love its fruity taste. Full directions on each bottle. You must say "California."

Only $10,00 Down

Washer Wringer

For the small down payment of $10.00 we'll send you a Gainaday. Then for two weeks you can try the Gainaday yourself.

Easy Payments

The first payment of $10.00 doesn't necessarily obligate you to buy—and it's less than the amount the Gainaday will save you over the same period of time. The payments that follow are small and easily met.

Swinging Wringer

Remember, too, that the Gainaday has every washing machine convenience; that it has a swinging wringer, copper tub, zinc cylinder, all steel frame and that it is completely guaranteed.

Telephone today, write or come in for demonstration.

Levinson Clothing Company

426 King Street

Lawns are made greener, more velvety, more thickly matted with a carpet of grass when V-C Plant Food is broadcasted and then lightly raked in. Weeds are run out and grass brought in. Bare spots should be given a heavier application.

The Simple Inexpensive Way To Have A Productive Garden

The blossoms, stems and leaves of last year drew much of the plant food out of the flower beds. To get dark green foliage—an abundance of vigorous flowering plants—spade up the earth, pulverize the soil, then add V-C Plant Food and work it thoroughly into the earth before planting, or around, but not touching the roots when plants are set out.

It is really surprising how much you can grow, even in a small backyard, if you prepare the soil well and fertilize it with V-C Plant Food.

Supplying one kind of fertilizer—such as manure alone—does not usually result in a good garden. The chances are you get corn that goes to stalks rather than to ears. But, if you apply V-C Plant Food, you give your crops all three kinds of food needed to make stalk and leaves and grain and fruit.

V-C is like Nature's richest soil concentrated more than a hundred times. Manure, for example, is rich in Nitrogen and poor in the other foods. Yet, the Nitrogen in one large bag of V-C Plant Food equals in producing power the Nitrogen in 1,500 pounds of manure. V-C also is proportionately richer in the other foods, which are lacking in manure.

V-C Plant Food is put up in small cans and bags—handy to take home—easy to apply. Don't you feel like digging in the garden? Springtime is flower and garden time. Get your V-C Plant Food now. Write or ask for free folder.

FOUR PERSONS INDICTED

Investigation of an Alleged Leak on Decisions of the U. S. Supreme Court

Washington, April 2.—Four persons were indicted by the Federal grand jury here in connection with its investigation of an alleged "leak" of advance information on decisions of the United States Supreme Court, it was learned today.

The four men were indicted for violation of section 37 of the Federal penal code. This section covers conspiracies to defraud the government.

The men indicted are:

Ashton F. Embry, former secretary to Supreme Court Justice McKenna.

Barnett E. Moses, president of the Federal Supply Company of Washington.

James Harwood Graves, former attorney in the special division of the Department of Justice.

Milliard Mayer, alias E. Millard Mayer, formerly a major in the army.

Both Embry and Graves have resigned their official positions.

WALK 2,000 MILES

Husband's Health in Danger, They Start From Massachusetts to California Afoot

Walking from Massachusetts to Oakland, Cal., where they have relatives, Francis Pelton, 22, and his wife, 21, each carrying a small baby, were picked up on the road east of Topeka, Kan., by Mr. and Mrs. Ernest Lyon.

One of the babies is a boy, 2 and one-half years old. The other is a girl of less than twelve months. The cheeks of the babies are chapped from exposure, but otherwise they appear to be in good health. Mr. and Mrs. Pelton look well and robust, although Mr. Pelton said that they left Massachusetts in November on account of his ill health. They are staying at the Provident Association.

Lack of funds didn't deter the Peltons from starting across the continent, they said, when they learned that the husband's health was endangered by the Massachusetts climate. They have walked most of the way from the Atlantic Coast, they told officials of the Provident Association, working at such employment as they could get until they were able to move on. Only a short part of the journey has been made by train. When they were found by Mr. and Mrs. Lyon the Peltons had no money left—Topeka Capital.

MARINES QUELL RIOT

Washington, April 2.—The recent landing of American marines at Kiukiang, China, to quell a riot was accomplished without casualties, the American Legation at Peking yesterday notified the State Department.

PEAK IS REACHED

Era of High Prices and Reckless Buying Nearing Close

Washington, April 2.—Nationwide reports from Federal Reserve bank officials, made public Wednesday night, disclose their opinion that the post-war era of "extravagance and reckless buying" by the public is nearing its end.

A "hesitation, if not an actual recession," of prices is noted, and the Federal Reserve Board's statement summarizes its advices as indicating a generally more hopeful view of the country's business condition than for several months.

While the price changes were shown by the board not to be universal, they were nevertheless regarded as positive and of importance as a basis for reckoning what the immediate future holds.

Relief from the high prices for the consumer will not be completely obtained until present stocks are absorbed in practically all lines, according to the board's views Manufacturers everywhere, however, were shown to hold the view that the peak of high prices has been reached and to expect a gradual recession.

In the clothing trade, particularly, the board said there was a marked tendency of the public to make old supplies last longer and to refuse to pay exorbitant prices. This phase can mean only that an awakening has come, the statement said, and that many people have arrived at the conclusion that they are themselves responsible for a continuing high range of prices.

Wholesalers in the [illegible] trade, to some extent, have taken a "commendatory attitude" toward encouraging their customers from placing heavy fall orders. This has served to slacken demand and create a feeling that lower prices will follow.

The reports do not give encouragement concerning a price reduction in shoes. There was, however, a wide divergence of opinion as to what shoe and leather prices will do.

Eastern seaboard cities reported a "piling up" of [illegible] on this side of the [illegible] exchange situation was [illegible] to reflect itself on the export market as well as through a general reduction by Europeans in their foreign buying, it was noted.

ALLEN BROS.

1301 KING STREET COR. WOLFE AND FAIRFAX STS.

VIRGINIA NEWS

The Merchants' National Bank of Richmond, has applied to the Supreme Court of the United States for a writ of certiorar in an effort to test the right of the city of Richmond to levy a tax of $1.40 per $100 of the bank's capital stock. Judge Richardson, of the Hustings Court, decided in favor of the bank's contention that 30 cents is the limit of taxation which may be imposed on this class of intangible personal property, but the Virginia Supreme Court held otherwise. The bank will get a refund of $14,000 if it wins its case. Other Richmond banks will be affected by the final decision.

An official tabulation prepared in the office of W. J. Jenks, general manager, shows that 8,450 members of organized crafts on the entire Norfolk and Western Railway system were out at 6 o'clock p. m., as a result of the strike on March 22 of the railway clerks.

Forest fires are raging in the Blue Ridge country.

Under the provisions of an order issued by the State corporation Commission yesterday the Virginia Northern Power Company has been allowed to increase its rates 10 per cent for the power service to Winchester, Strasburg, Berryville, Front Royal and other places in the valley.

Mrs. Nannie Tate Graham, of Wytheville, has received an anonymous registered letter from a person in Philadelphia inclosing $2,000 in currency, which the sender said was due the firm of Graham and Robinson, whom he admitted he had defrauded many years ago.

Manassas was in darkness Wednesday night owing to a shut down of the municipal power plant, due to lack of coal. Business was practically suspended all day at the mills owing to having no current to run the machinery. It is said that coal was ordered in ample time, but shipment was held up unti April 1, when increased prices are effective. The Southern Railway Company supplied a carload yesterday and relieved the situation.

Almost fifteen hundred more names of persons who had been omitted by census enumerators in Richmond were uncovered yesterday through the vigilence of policemen. A total of 650 was found in the first district, 694 in the second district and 62 in the third. This is more than 12,000 names that the police have added to the census.

"Tip" Martin, of Louisa, while riding in his automobile a few days ago, passed another car and threw up his hand in greeting which caused his car to run to one side and before he could steer it aright it had run in a ditch and turned over, killing his ten year old son and cutting Mr. Martin's head. A number of people were in the car and were some what injured.

LOUISIANA PIVOTAL STATE

Advocates of Amendment Not Overconfident of Baton Rouge Success

New Orleans, April 2.—Defeat of the woman suffrage amendment by following Wednesday's action in Mississippi, makes Louisiana, whose legislature meets next month, the pivotal State.

There is no hope for women to put the amendment over in time to vote in this year's Presidential election unless they win Louisiana, suffrage leaders indicated here today.

Women of national prominence as well as political leaders of the Democratic party will come to Louisiana to support the amendment.

Dover, Del., April 2.—Ratification of the suffrage amendment to the Federal Constitution was defeated by the lower house of the State legislature yesterday afternoon by a vote of 22 to 9. Three members refrained from voting and one was absent. This does not necessarily kill the suffrage amendment, until the senate also acts on the measure.

LEARN A TRADE!

Right now, hundreds of young men are forced to work at some kind of employment they don't like because when they apply for a job they would like to have they are told, "Learn the trade, then come back and I will give you the job. I want experts, not men who have to be taught."

There is only one branch of the service that can give you a trade in two years, which branch is that? Why the Marines, of course. Then, if you are feeling a desire to wander, you have your trade of soldiering that will take you to any point on the globe that looks good to you. Come up to 603 King street and talk it over with Sergt. Bruce.

RELIEVES COLD IN THE CHEST

You can't afford to trifle with a cold in the chest. It may lead to pneumonia, influenza, or other serious trouble.

Mother's Joy Croup and Pneumonia SALVE

given quick relief and prevents pneumonia. You just apply it to the throat and chest, and rub it in. It quickly penetrates to the seat of the inflammation and congestion disappears like magic.

Mother's Joy Salve is harmless and soothing, and can be applied to the tenderest baby skin without irritating effects. Thousands of users testify that it never fails to relieve congestion and croup.

Keep Jar on hand for emergencies. Doctors and nurses recommend it. Good dealers sell it.

Tax Assessments Plan Change in

(Continued From Page One)

Returns from several sources of revenue are considered by the Auditor to be entirely too low. Especially is this true, he believes, of income taxes received from certain classes of individuals and revenue derived from vehicles.

Vehicles of all kinds, including automobiles, constituted about $22,000,000 of taxable property in 1919. Mr. Moore believes that, with proper assessment, this amount should easily be in the neighborhood of $100,000,000. State revenue from this source amounts to $2.50 on the $1,000, and is devoted to the cause of roads, schools and prevention of tuberculosis. On a $100,000,000 assessment, there would be $250,00 a year for these purposes.

EXPELS SOCIALISTS

Individual Vote Results in Expulsion After all Night Debate

Albany, N. Y., April 2.—The five suspended Socialist members of the New York assembly were expelled yesterday on charges of disloyalty following an all night debate.

An individual vote on expulsion was taken on each member. The five Socialists are: August Claessens, Louis Waldman, Charles Solomon, Samuel A. Dewitt and Samuel Orr.

WILSON OUT OF PRIMARY

Washington, D. C., April 2.—Attorney General Palmer and his followers were informed last night that President Wilson's name had been withdrawn from the Georgia primary ballot at the request of the signers of the petition which put him in nomination.

CALIFORNIA DENIED VOTE

San Francisco, April 2.—The State Supreme Court yesterday ruled that the voters of California have no right to a referendum on the national prohibition (Eighteenth) amendment.

The decision was rendered in the case brought by J. A. Balero, of Los Angeles, against H. B. Lyons, registrar of voters of Los Angeles county, to force Lyons to file a referendum.

Attorneys who brought the action sought to force a referendum on the action of the state legislature in ratifying the amendment.

RESOLUTION TO BE REPORTED

Declares State of Peace Between United States and Germany

Washington, April 2.—The resolution declaring a state of peace between the United States and Germany was ordered formally reported by the House Affairs Committee yesterday.

Chairman Campbell of the House Rules Committee announced he would bring in a special rule providing for immediate consideration of the peace resolution next Thursday.

The resolution fixes a date for the end of the war between the United States and Germany, thus setting a time for the termination of restrictive war laws.

Some of the important war laws and powers of the President that the Congressional resolution of peace is designed to end are:

War time prohibition.

Lever food and fuel control law, with its provisions against profiteering.

Espionage law.

Selective service.

Overman act giving the President a free hand to distribute his executive powers.

Authorization of the President loan ten billions dollars to the allies.

Complete control by the President of all shipping.

HARBOR MEN STRIKE

New York City's Warehouses Have Seven Day Supply

New York, April 2.—A strike of harbor workers, employed on ferry tugs, lighters and other floating equipment of all the railroads operating in the port of New York, last night tied up most of the ferry lines and virtually shut off the city's supply of fresh foodstuffs.

Under normal conditions, it was said, there is only a seven days supply of fresh foodstuffs on hand in the city's warehouses, and a continuance of the strike beyond that time would result in a severe shortage of food. The railroads it was said, handle 90 per cent of the food entering the city.

COAL, LUMBER AND BUILDING MATERIALS

W. A. SMOOT & CO., INC.

EXAMINE OUR GRADES WHEN CONSIDERING PRICES.

With prices on Lumber and other Building Materials at their present levels, there are many items in the lower grades which can often be substituted satisfactorily and at a considerable saving.

We have become so much impressed with the possibilities of doing this to advantage that we are exercising the greatest care in buying only from those mills who pay the closest attention to the manufacture and grading of their lower priced stocks.

We ask our customers to examine these grades when buying as we believe they will find some excellent values, and a knowledge of what a carefully selected lower grade really is will often prevent the buying of a so-called higher grade at a little under the market price for the high grade, when it is actually a lower grade and can be bought at such.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and cleansing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 10c and 25c.

Advertise your wants in the Gazette.
